

AP English Literature Pop Quiz Study Guide

Mr. Williams' Class 07-08

The list below is a mixed list of literary devices, techniques, allusions, and other terms associated with literature. It would be in your best interest to study the definition and usage of these terms, as you will be quizzed on these at random times throughout the year.
Good luck!

This FINAL quiz garners information from all other quizzes.

It contains all the categories in an effort to get students to retain information from past exams.

After studying and using these, you should be ready for this class's pop quizzes, the AP exams, and collegiate writing and thinking. ☺

MNW

A Pop Quiz will be administered every two weeks to guarantee completion of studying of your tone words AND other elements of literature.
